A: Introduction

As of May 2020, membership at the Shannon Lake Golf Club is restricted only to shareholders of Westside Country Club Estates. WCCE is the company that owns the golf course and there are only 284 shares that comprise the business with approximately 138 unique shareholders. (a few shareholders own multiple shares) Membership at the Shannon Lake Golf Club is most certainly an exclusive opportunity.

The existing non-shareholder members were grandfathered in 2020 with no new annual membership passes being offered going forward. (Exception: there are a limited number of junior and intermediate-29 memberships available annually to non-shareholders)

Shareholder golfing benefits extend to the shareholder and spouse and all shareholders have the flexibility of joining the club on an annual basis or choosing not to. Membership is not mandatory. Please note that shareholders who choose to sell their share will relinquish access to all membership categories at the club.

Current highlights of shareholder ownership in Westside Country Club Estates include;

- ✓ MANDATORY for membership at the Shannon Lake Golf Club
- ✓ 15-day advance booking privilege
- ✓ great value on annual membership fees
- ✓ reduced green fee rates for shareholder non-members
- ✓ reduced rates for guests
- ✓ discounts in the golf shop
- ✓ dividends paid out annually starting in 2019

This manual is intended to be an overall guide to the rules and decorum expectations when you are a shareholder / member of the golf course. In addition, the manual is a great reference for general information pertaining to the golf course and membership. As for any specific rules infractions, each situation will be dealt with on a case-by-case basis with this document to be used as a helpful tool to guide the procedures.

B: Green Fees

1. RATES

Green fee rates are set annually by the Board of Directors and management. **Time of rate change is 2:00 pm in peak season (May 1 to Sept 15, inclusive) and 1:00 pm in shoulder season (before May 1 and after Sept 15).** All green fee rates are subject to applicable taxes (GST). **For 2026, no 9-hole play will be allowed prior to 2pm. 2026 green fee rates have been set at;**

<u>Description</u>	<u>18 - Peak</u>	<u>18 @ 2pm</u>	<u>9 @ 2pm</u>
Regular Rate	\$100	\$80	\$45
Guest of member	\$82	\$65.50	\$40

Shareholder non-member \$75 \$60 \$37

2. INCLEMENT WEATHER / RAIN CHECKS

Shannon Lake Golf Course does not possess an inclement weather warning or detection system. Golfers are advised that they play at their own risk and we are under no obligation to warn, retrieve, and/or remove anyone from the golf course due to inclement weather, including the potential for lightning. The golf shop will blow a warning horn when there is an obvious safety concern.

Golfers may suspend their round at any time upon their own determination of the dangers of existing, impending, or threatened inclement weather and golfers may be eligible for a rain check. Neither Westside Country Club Estates, its shareholders and directors, nor Shannon Lake Golf Course are responsible for injuries or damages from inclement weather.

Rain checks will be offered at the discretion of the golf shop for green fees and power cart rentals due to the following conditions;

- lightning and/or severe rainfall
- accumulation of water which makes the course unplayable
- emergency accident or illness

Rain check policy is based on a pro-rated dollar credit towards green fees and/or cart rentals on a subsequent visit during the current golf season. The credit is calculated based on how many holes were NOT played relative to how many holes were paid for.
